Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the Revenue & General Departments,
Bangalore

Sir,

I have the honour to forward herewith a letter from the Headmaster High School, Hassan dated 20th September 1896 and bearing Register No 4081/287 of 2nd October 1896 The Head Master states that the private house belonging to Seshu & Co Bangalore which he now occupies and for which Government pay Rs 20 a month is likely to be sold shortly for about Rs 5000 There has always been a great difficulty to find house accommodation for the Head

Head Master at Hassan. If Seshu and Co's house is sold to a planter the Head Master will be unable to find another in Hassan to live in. Under these circumstances I recommend that Government may be pleased to sanction specially the purchase of the house at Rs 5000 through the Chief Engineer from funds at his disposal or any other funds

With reference to his docket No 6147 dated 26th November 1896, has the honour to inform that no general order appears to have been passed sanctioning house-rent or free accommodation to the Heads of Colleges and High Schools although it has been a long established usage that Principals and Head Masters of Colleges and High Schools should be

provided with free houses, and to forward herewith copies of the marginally noted correspondence relating to the subject for reference

2 Since the date of the correspondence the old quarters of the Headmaster of the Shimoga Co have been improved and enlarged and he is no living in them, the house-rent of Rs 30 allow to him having been stopped - Similarly the Headmaster of the Tumkur High School is now living in the old Travellers Bangalow and th house-rent of Rs 15/- allowed to h has be stopped The only Headmaster who c without q quarters is the Headmaster of the Hassan High School and he is given Rs 20/- a month as house-rent - But his landlord never keeps house in repair and is likely to sell it off an early date - If the house is sold, the He master will be left without a house as no is available for rent at Hassan.

SIR,

With reference to your letter No 3475/676 dated the 9th July 1894, I have the honour submit the following suggestions for the consideration of Government The following is a list of those officers of the Education Department that occupy rent-free quarters or are given house-rent

Principal Maharajas College, Mysore	Free Quarters
Headmaster, Shimoga College	Houserent Rs 30
" Kolar High School	Free Quarters
" Chitaldroog "	Do
" Chikmagalur	Do
" Tumkur "	Houserent Rs 15
" Hassan "	Do Rs 20
Lady Superintendent, Maharanis School	Do Rs 60
Asstt Lady Superintendent Maharanis School	Free Quarters

2 Considering that the duties of Principals and Headmasters require them to live close to their College or School and that in most of the Districts it is difficult for them to find suitable accommodation

within a convenient distance, I would submit that they may be all provided with Government buildings in course of time. Those Principals and Headmasters that have not rent-free quarters at present may be given house-rent at the following rates

Principal of a First Grade College, Rs 50
Head Master of a Second Grade College, Rs 30
Headmaster of a High School, Rs 20,

provided that if any of them while receiving house-rent should occupy a Government building belonging to some other department, the allowance for house-rent shall not exceed the rent paid by him for the Government building.

3. The cases of the Lady Superintendent and Assistant Lady Superintendent of the Maharanis' School are somewhat of an exceptional nature. The terms on which their services have been engaged for three years in the case of the former and for two years in the case of the latter, include a free house. A Government building suitable for the Lady Superintendent was erected, but she appears to have left it after occupying it for a few days. I believe with the permission of Government. She is now paid Rs 60 for the rent of the house.

she occupies The Assistant Lady
Superintendent is now occupying the
Quarters originally intended for the
Lady Assistant Surgeon in charge of
Maharani's Hospital at Mysore If the
quarters are wanted back by the
Medical Department, rent will have
to be paid for some other house the
the Assistant Lady Superintendent
may occupy

In his No 3496/223 dated 18th Nov 96 the Supt Gen recommended the purchase, for Rs 5000, of the house occupied by the 4th Master of the Hassan High School, the latter officer stating that the rooms are very spacious, on a fine locality with a large compound and that a similar house could not be built for double the amount

The Chief Engr who was asked to have the house value of the house estimated, says that the Engineer values the building at only Rs 3500

We further state that no funds are available for the purchase of the house from the P W Budget -
